

CBPA Updates

January 21st, 2025

CBPA February Community Event

Way back in 2010 we started with a simple idea, help our players grow on and off the field. Colorado Ball Players Academy is focusing in 2025 on giving back to the baseball/softball community. We are planning on a monthly community service project that all players and families are encouraged to participate in now and moving forward.

Our February project is... BP Stuff Your Heart

In our efforts to continue to show involvement and appreciation for our community, CBPA will be hosting a Valentine's Day "Stuff Your Heart with Love" fundraiser. As an organization, we ask each player to collect a minimum of one Valentines stuffed animal to donate to the Children's Hospital.

This will be a fun event that will bring a lot of love and joy to the kids in the hospital as well as our players to know they helped brighten another's day. There is no minimum amount required for each player to spend on a stuffed gift, but it must be brand new as TCH cannot accept used donations, even a \$5

donation will make a huge impact. Please encourage your players to gather additional donations from friends, families or even sponsors. If each player contributes just one stuffed animal, we will be able to donate over 200 animals to kids in need and show our players how important it is to do good for others and be stellar people on and off the field. Please bring all donations to the CBPA facility by Sunday, February 9th to ensure we can deliver to the Children's Hospital for

Valentine's Day. If there are any players who would like to help with transport and delivery, please contact

Jenn Curtis: jenniferwiegart@yahoo.com or

Chadd Morrison: directorofopsbl@gmail.com.

There will be a donation bin for stuffed animal donations and a secure marked donation box for CASH contributions.
